

IEQAS Conference Evaluation 2019

Of the 106 delegates who completed the feedback forms, 98% reported "Very Good" or "Good", with 2% reporting "Fair". Attendance excluding IEQAS staff/admin was 170.

There were many positive comments regarding content, topics, organisation, location and venue, which is always good to hear and reinforces the effort and commitment of IEQAS in providing a conference at a convenient location with relevant presentations each year.

There were a number of very helpful suggestions for next year; further suggestions (topics/interesting speakers) are always welcome: please contact us anytime at info@ieqas.ie
